At the moment the further development on the world market is difficult to foresee. We are working daily together with E-T-A on the above mentioned challenge and will inform you immediately in case of further changes of the situation.

Furthermore, we ask you not to make any hoarding purchases and not to request improvements on delivery times.

We are looking into technical alternatives to improve confirmed delivery dates. In such cases, you will proactively receive a new order confirmation.

We are at your disposal for further information.

Just give us a call at 061 717 86 86 or send an email to info@hgr-ag.ch

Thank you for your understanding and stay healthy!
