

Components for security and high demands

	<p>Circuit breakers</p> <ul style="list-style-type: none"> • Electronic overcurrent protection • Circuit breakers • Power distribution systems and systems engineering • Electronic relays and power relays 	
	<p>Low voltage products for automation</p> <ul style="list-style-type: none"> • Time, measuring and monitoring relays, contactors • Motor circuit breakers and circuit breakers • Schaltnetzteile, Dreiphasen-Netzteile • Cable management, cable ties 	
	<p>ENTRELEC Terminal blocks for all connection types</p> <ul style="list-style-type: none"> • Screw connection technology • PI-Spring connection technology (Push-in, Spring) • IDC-Terminal blocks ADO System® • Essailec® Systems for current and voltage measurement 	
	<p>Fuses</p> <ul style="list-style-type: none"> • Device protection fuses in glass and ceramic • Various dimensions 5x20, 5x25, 6,3x32 etc. • Axial/Radial wired plug-in fuses • Vehicle fuses, ATO®-Fuse holders 	
	<p>Innovative circular connectors and system Technology</p> <ul style="list-style-type: none"> • X-TEC multi-pin power connectors up to 60A • W-TEC Power cable, pre-assembled • A-TEC Function modules for the system technology • M 15 Power, overmoulded power cable with X-TEC15 	
	<p>Products made of copper with different finishes</p> <ul style="list-style-type: none"> • Ground straps, power straps and connectors • Round strands, ropes, braids up to 600 mm² • Special products, resistance welding • Wires and cables for lighting technology 	
	<p>Aluminum products</p> <ul style="list-style-type: none"> • Wires in dimensions from 0.08 to 25mm • Round, flat and profile bars • Teepack wires, lightning protection wires • Alloys of the 1000 up to 7000 series 	
	<p>Grounding ropes ESY (PVC) with transparent protection</p> <ul style="list-style-type: none"> • Highly flexible single-core cables according to IEC 61138 • From 16 up to 150 mm² applications according to IEC 61230 • ESY-PVC for temperature ranges from -40°C up to +70°C • ESTPR-TPE-O for temperature ranges from -50°C up to +90°C 	

	<p>Solutions for wire and cable products</p> <ul style="list-style-type: none"> • Wires, strands, round ropes, braids, assembly • Leonian goods for textile and decoration • Harmonized lines • Bus lines for data communication and networks 	
	<p>Assembled cables</p> <ul style="list-style-type: none"> • Power cords • Apparatus supply lines • Internal wiring • Swiss and international approvals 	
	<p>Crystals, crystal oscillators and filters</p> <ul style="list-style-type: none"> • Crystal oscillators XO, VCXO, TCXO and OCXO • XO extended temperature range from -55°C up to +125°C • Quartz filter, front and end filter • Quartz, standard and precision quartz 	
	<p>Loudspeakers for traffic and railway infrastructure</p> <ul style="list-style-type: none"> • Full range speakers • Seawater resistant speakers • Magnetically shielded speakers • Corrosion-resistant dipole panel speakers 	
	<p>Cabinets, housings and desks made of stainless steel</p> <ul style="list-style-type: none"> • Control boxes and support arm systems • Cable management cabinets • Atex (IP66 Standard) and Hygiene Line (EHEDG Standard) • Custom control boxes 	
	<p>Safety protection enclosures</p> <ul style="list-style-type: none"> • Safety devices • Protection Systems • SMART-Systems • Compliant with UNI EN ISO 12100, 14120 and 13857 	
	<p>Wire processing tools</p> <ul style="list-style-type: none"> • Cutting cables from AL and Cu (0,14-1200 mm²) • Stripping (0,03-16 mm², Stripping tools) • Crimpen from 0,14 up to 400 mm² • Assortment boxes for ferrules 	
 <p>KRÜGER & GOTHE GMBH electronic products and services</p>	<p>Complex electronics products and services</p> <ul style="list-style-type: none"> • Railway technology • Aviation • Medical technology • Industrial electronics

HGR Henri Grandjean AG represents international manufacturers and specializes in advising and trading in electromechanical, electrotechnical and electronic products and components. We are responsible for the representation of well-known international suppliers in Switzerland and the Principality of Liechtenstein. As a commercial agency, it is particularly important to us to establish personal contact between the suppliers and customers.

HGR was founded in 1957 and has been supplying the whole of Switzerland with the products of its manufacturers ever since. In the meantime, we can already show more than 65 years of experience in representation and thus guarantee a unique service and first-class quality.

We are looking forward to a successful cooperation,
 Your HGR Henri Grandjean AG team.
